"Every clinical and laboratory worker in syphilis should buy this work, read it carefully and then keep it for reference."—*The Lancet.*

"It would be impossible to exaggerate the importance of such a volume as this in the study and treatment of the most widely spread and serious of our social diseases."—*Glasgow Herald.*

MODERN DIAGNOSIS AND
TREATMENT OF SYPHILIS,
CHANCROID & GONORRHOEA

BY

L. W. HARRISON

D.S.O., M.B., Ch.B., M.R.C.P.E., Brevet-Col. R.A.M.C., and K.H.P. (Ret.)

Director of the Venereal Diseases Department, St. Thomas's Hospital; University of London Lecturer on Venereal Diseases, St. Thomas's Hospital Medical School; Special Medical Officer for Venereal Diseases, Ministry of Health.

Demy 8vo.

Illustrated.

10/6 net.

"... gives a lucid and concise account of syphilis, chancroid and gonorrhoea in all their manifestations, and with the sections on diagnosis and treatment no fault can be found. . . . To the busy practitioner who cannot overtake the modern literature it should be very useful."—*The Lancet.*
