

Notes

INTERNATIONAL HEALTH FOUNDATION AWARD—1973

It has been announced that the 1973 Award of the International Health Foundation (venereal disease section) will go to Dr William F. Felton of St. Thomas' Hospital, London, for his paper "The Location of Patients and Venereal Disease Control".

The subsidiary award for the best paper received from an author under 35 years of age will go to James M. Stoffels Jr. and Ben A. Say of the U.S. Public Health Center for Disease Control, Atlanta, Georgia, currently

working at the Baltimore Health Department in Maryland, who wrote on "Gonorrhoea Group Advisory Sessions—No Field Follow-up".

In addition the judges have asked that special mention be made of a paper entitled "The Control of Venereal Disease" by Dr John W. R. Harris of the Royal Infirmary, Sheffield, England.

International Health Foundation, 1 Place du Port, 1204, Geneva, Switzerland.

ITALIAN SOCIETY OF DERMATOLOGY 53rd meeting, Rome, October, 1974

The 53rd meeting of the Italian Society of Dermatology will be held in Rome from October 10 to 12, 1974.

The following will be the main themes for discussion:

Reticuloses

Autoimmune diseases of the skin

Round table on recent advances in the treatment of gonorrhoea.

Enquiries may be addressed to Prof. P. Nazzaro, Via San Gallicano 15/a—00153, Rome, Italy.

ELECTRON MICROSCOPY II European Meeting, Milan, January, 1975

The second European Meeting of Electron Microscopy applied to Clinical Skin Pathology will be held in Milan on January 17 and 18, 1975.

Anyone wishing to present a paper is requested to send this in as soon as possible; the title of the communication

should arrive before September 30, 1974, and the summary before November 15, 1974.

For further information please write to Dr. Ruggiero Caputo M.D., Via Pace, 9 Milan, Italy.
