Immunofluorescent staining of <i>Treponema pallidum</i> and <i>Treponema pertenuis</i> in tissues fixed by formalin and embedded in paraffin wax <i>H. T. Al-Samarrai and W. G. Henderson</i> (Gt Britain)	1
Immune responses to soluble antigens of treponemes <i>G. Kwapinski, O. Cheung, and E. Kwapinski</i> (Canada)	12
Leucoderma in early syphilis <i>R. K. Pandhi, T. R. Bedi, and L. K. Bhutani</i> (India)	19
Extensive condyloma lata <i>S. N. Shrivastava and G. Singh</i> (India)	23
Pneumonia in mice produced by <i>Neisseria gonorrhoeae</i> <i>A. P. Johnson, D. Taylor-Robinson, and G. Slavin</i> (Gt Britain)	26
Scanning electron microscopical examination of gonococcal urethral exudate <i>R. D. Klein, I. L. Roth, and H. S. McCullough</i> (USA)	31
The role of tetracyclines in the treatment of non-specific urethritis <i>B. A. Evans</i> (Gt Britain)	40
Ornidazole: A new antiprotozoal compound for treatment of <i>Trichomonas vaginalis</i> infection <i>M. Sköld, H. Gnarpe, and L. Hillström</i> (Sweden)	44
Cryosurgery of genital warts in cases in which podophyllin treatment failed or was contraindicated <i>A. K. Ghosh</i> (Gt Britain)	49
<i>Giardia lamblia</i> infection in homosexual men <i>J. D. Meyers, H. A. Kuharic, and K. K. Holmes</i> (USA)	54
Significance of leucocytes in smears taken from the female urethral meatus <i>J. V. Earle</i> (Gt Britain)	56
Sexual disease education and a selected group of American college students <i>L. Yarber</i> (USA)	58
Granular inguinal adenopathy <i>A. Osoba and A. B. O. Oyediran</i> (Nigeria)	63
Granular keratoacanthoma on the inner surface of the prepuce <i>A. Osoba and Z. Starzycki</i> (Poland)	65

# Contents

February 1977 Vol. 53 No. 1

- Immunofluorescent staining of *Treponema pallidum* and *Treponema pertenu* in tissues fixed by formalin and embedded in paraffin wax  
*H. T. Al-Samarrai and W. G. Henderson* (Gt Britain) 1
- Immune responses to soluble antigens of treponemes  
*G. Kwapinski, O. Cheung, and E. Kwapinski* (Canada) 2
- Leucoderma in early syphilis  
*R. K. Pandhi, T. R. Bedi, and L. K. Bhutani* (India) 9
- Extensive condyloma lata  
*S. N. Shrivastava and G. Singh* (India) 3
- Pneumonia in mice produced by *Neisseria gonorrhoeae*  
*A. P. Johnson, D. Taylor-Robinson, and G. Slavin* (Gt Britain) 6
- Scanning electron microscopical examination of gonococcal urethral exudate  
*R. D. Klein, I. L. Roth, and H. S. McCullough* (USA) 1
- The role of tetracyclines in the treatment of non-specific urethritis  
*B. A. Evans* (Gt Britain) 0
- Ornidazole: A new antiprotozoal compound for treatment of *Trichomonas vaginalis* infection  
*M. Sköld, H. Gnarpe, and L. Hillström* (Sweden) 4
- Cryosurgery of genital warts in cases in which podophyllin treatment failed or was contraindicated  
*A. K. Ghosh* (Gt Britain) 9
- Giardia lamblia* infection in homosexual men  
*J. D. Meyers, H. A. Kuharic, and K. K. Holmes* (USA) 4
- Significance of leucocytes in smears taken from the female urethral meatus  
*J. V. Earle* (Gt Britain) 6
- Venereal disease education and a selected group of American college students  
*W. L. Yarber* (USA) 8
- Guinea worm inguinal adenopathy  
*A. O. Osoba and A. B. O. Oyediran* (Nigeria) 3
- Giant keratoacanthoma on the inner surface of the prepuce  
*K. Lejman and Z. Starzycki* (Poland) 5
- Report of the Chief Medical Officer for 1975 8
- MSSVD Annual Report for 1976 2
- Abstracts 3
- Book review 9

April 1977 No. 2

- Report on symposium on the surveillance and control of sexually transmitted diseases  
A record system for contact tracing  
*A. Satin* (Gt Britain) 1
- Isolation of *Chlamydia trachomatis* from the male urethra  
*M. D. Alani, S. Darougar, D. C. MacD. Burns, R. N. Thin, and H. Dunn* (Gt Britain) 4
- Chlamydial infection of the urogenital tract in promiscuous and non-promiscuous women  
*J. M. G. Woolfitt and L. Watt* (Gt Britain) 8
- Triple tetracycline (Deteclo) in the treatment of chlamydial infection of the female genital tract  
*M. A. Waugh and K. C. Nayyar* (Gt Britain) 3
- Penicillinase-producing strains of *Neisseria gonorrhoeae* isolated in Rotterdam  
*F. B. Blog, A. Chang, G. A. J. de Koning, A. P. Oranje, E. Stolz, G. Bosscher-Koetsier, M. P. E. de Jonge-Suy, M. F. Michel, E. O'Niel, S. de Weerd-van Ameyden, and L. Gaastra* (The Netherlands) 6

Comparative physical and immunological aspects of the chimpanzee and guinea-pig subcutaneous chamber models of <i>Neisseria gonorrhoeae</i> infection <i>R. J. Arko and K. H. Wong</i> (USA)	101
Homocytotropic antibodies (1gE) to <i>Neisseria gonorrhoeae</i> in the rat and a cross-reactivity of heterologous gonococcal strains <i>H. M. Vijay, G. Lavergne, F. E. Ashton, A. Ryan, and B. B. Diena</i> (Canada)	106
Isolation of <i>Neisseria meningitidis</i> from the urethra, cervix, and anal canal: Further observations <i>K. F. Givan, B. W. Thomas, and A. G. Johnston</i> (Canada)	109
Oral talampicillin in the treatment of gonorrhoea <i>J. D. Price, J. L. Fluker, and A. J. H. Giles</i> (Gt Britain)	113
Treatment of uncomplicated gonorrhoea with spectinomycin hydrochloride (Trobicin) <i>I. A. Porter and H. W. Rutherford</i> (Gt Britain)	115
A double blind trial of amoxycillin in the treatment of gonorrhoea <i>R. N. Thin, M. A. E. Symonds, E. J. Shaw, J. Wong, P. K. Hopper, and B. Slocombe</i> (Gt Britain)	118
Yeasts and circumcision in the male <i>F. Davidson</i> (Gt Britain)	121
Recurrent genital candidosis and iron metabolism <i>F. Davidson, J. P. Hayes, and S. Hussein</i> (Gt Britain)	123
Three-day clotrimazole treatment in candidal vulvovaginitis <i>G. Masterton, I. R. Napier, J. N. Henderson, and J. E. Roberts</i> (Gt Britain)	126
First experiences with single-dose treatment of vaginal trichomoniasis with carnidazole (R 25831) <i>A. Notowicz, E. Stolz, and G. A. J. de Koning</i> (The Netherlands)	129
Hepatitis B antigen and antibody in a male homosexual population <i>J. C. Coleman, M. Waugh, and R. Dayton</i> (Gt Britain)	132
Teenage girls and venereal disease prophylaxis <i>W. L. Yarber</i> (USA)	135
Behavioural and social characteristics of the patient with repeated venereal disease and his effect on statistics on venereal diseases <i>R. S. Lundin, M. W. Wright, and J. N. Scatliff</i> (Canada)	140
Gonococcal tysonitis <i>N. J. Fiumara</i> (USA)	145
Correspondence	146
Abstracts	148
Notice	154

## June 1977 No. 3

Sexually transmitted diseases in Ibadan, Nigeria <i>A. O. Sogbetun, K. O. Alausa, and A. O. Osoba</i> (Nigeria)	155
Detection and identification of gonococcal L-Forms using a direct immunofluorescence test <i>S. A. Waitkins and I. Geary</i> (Denmark)	161
Problems posed by potential gonococcal vaccines viewed from the vantage point of a control agency <i>J. B. Robbins</i> (USA)	170
Neonatal conjunctivitis caused by <i>Neisseria gonorrhoeae</i> and <i>Chlamydia trachomatis</i> <i>E. Rees, I. A. Tait, D. Hobson, R. E. Byng, and F. W. A. Johnson</i> (Gt Britain)	173
Urethritis due to <i>Chlamydia trachomatis</i> <i>J. D. Vaughan-Jackson, E. M. C. Dunlop, S. Darougar, J. D. Treharne, and D. Taylor-Robinson</i> (Gt Britain)	180
Isolation of <i>Chlamydia trachomatis</i> from throat and rectum of homosexual men <i>D. Goldmeier and S. Darougar</i> (Gt Britain)	184
Comparison of growth inhibition and immunofluorescence tests in serotyping clinical isolates of <i>Ureaplasma urealyticum</i> <i>P. Piot</i> (Belgium)	186

- Role of sexual and non-sexual practices in the transmission of hepatitis B  
*K. S. Lim, V. T. Wong, K. W. M. Fulford, R. D. Catterall, M. Briggs, and D. S. Dane* (Gt Britain) 90
- Comparison of ornidazole and tinidazole in single-dose treatment of trichomoniasis in women  
*L. Hillström, L. Pettersson, E. Pålsson, and S. O. Sandström* (Sweden) 93
- Keratopustular variety of framboesiform syphilis: A case report  
*K. Lejman and Z. Starzycki* (Poland) 95
- Buschke-Löwenstein's tumour presenting with urinary fistula  
*T. R. Bedi and R. K. Pandhi* (India) 90
- Correspondence 93
- Abstracts 94
- Notice 90

## August 1977 No. 4

- Control of sexually transmitted diseases in the United States—A federal perspective  
*R. H. Henderson* (USA) 91
- Investigations on reactivity of sera in endemic syphilis from Bosnia 20 years after treatment  
*M. Nadaždin and K. Karlovac* (Yugoslavia) 96
- Comparison of RPR 'teardrop' card test, VDRL, and FTA-ABS test results on sera from persons with suspected yaws in Colombia  
*D. R. Hopkins and D. Florez* (Colombia) 98
- Neurosyphilis  
*O. J. Kolar and J. E. Burkhart* (USA) 91
- Spectinomycin hydrochloride in the treatment of gonorrhoea: Its effect on associated *Chlamydia trachomatis* infections  
*J. D. Oriel, G. L. Ridgway, S. Tchamouloff, and J. Owen* (Gt Britain) 96
- Tetracycline treatment for non-specific urethritis  
*J. Ch. Simopoulos* (Gt Britain) 90
- Prostatic enlargement associated with symptomatic and asymptomatic gonorrhoea in adolescent men: An argument for routine rectal examination  
*R. L. Johnson* (USA) 93
- Plasma levels after a single oral dose of 1.5 g ornidazole  
*I. Matheson, K. H. Johannessen, and B. Bjørkvoll* (Norway) 96
- 5-Fluorouracil in the treatment of penile and urethral condylomata acuminata  
*J. Wallin* (Sweden) 90
- Douglas Argyll Robertson, 1837–1909: Discoverer of the pupillary syndrome  
*A. L. Thorburn* (Gt Britain) 94
- The Viennese contribution to venereology  
*M. Waugh* (Gt Britain) 97
- Venereal disease: Its place in health education in schools  
*S. J. McGuffin* (Gt Britain) 92
- In which hospital departments may sexually transmitted diseases be seen? The views of 56 medical students  
*A. Goulden and J. Earle* (Gt Britain) 95
- Gumma of the testis and penis  
*S. Al-Egaily* (Gt Britain) 97
- Circinate vulvitis in Reiter's syndrome  
*I. V. Thambar, R. Dunlop, R. N. Thin, and E. C. Huskisson* (Gt Britain) 90
- Report on the first Western Pacific and South-east Asian regional conference on sexually transmitted diseases 93
- Book review 95
- Correspondence 95
- Notices 95
- Abstracts 96

## October 1977 No. 5

Observations on syphilis in Addis Ababa. 1. General considerations <i>P. S. Friedmann and D. J. M. Wright</i> (Gt Britain)	273
Observations on syphilis in Addis Ababa. 2. Prevalence and natural history <i>P. S. Friedmann and D. J. M. Wright</i> (Gt Britain)	276
The pattern of immunological responses at various stages of syphilis <i>R. Shannon and S. D. Booth</i> (Gt Britain)	281
Quantitative evaluation of the FTA-ABS-IgM and VDRL test in treated and untreated syphilis <i>A. Luger, B. Schmidt, and I. Spendlingwimmer</i> (Austria)	287
Nitroblue tetrazolium test in experimental syphilis <i>V. Wicher, S. Blakowski, and K. Wicher</i> (USA)	292
Hepatitis in early syphilis. Report of three cases <i>A. McMillan, J. R. Anderson, and D. H. H. Robertson</i> (Gt Britain)	295
Nutritional requirements and penicillin susceptibilities of gonococci from pharyngeal and anogenital sites <i>B. Wesley Catlin and P. J. Pace</i> (USA)	299
Sensitivity pattern of <i>Neisseria gonorrhoeae</i> to penicillin and screening for $\beta$ -lactamase production in Ibadan, Nigeria <i>A. O. Osoba, D. G. Montefiore, A. O. Sogbetun, K. O. Alausa, and C. N. Anong</i> (Nigeria)	304
Recent micturition does not affect the detection of urethral gonorrhoea <i>F. N. Judson, R. A. Wright, and E. A. Mann</i> (USA)	308
Diagnosis of rectal gonorrhoea by blind anorectal swabs compared with direct vision swabs taken via a proctoscope <i>P. Deheragoda</i> (Gt Britain)	311
How suitable are available pharmaceuticals for the treatment of sexually transmitted diseases? 1. Conditions presenting as genital discharges <i>R. R. Willcox</i> (Gt Britain)	314
Short-term psychosomatic treatment of sexual problems <i>M. Bramley</i> (Gt Britain)	324
Abstracts	328
Book review	336
Notice	336

## December 1977 No. 6

Chair in Genitourinary Medicine	337
Editorial: Cultivation of <i>Treponema pallidum</i>	337
The <i>in vitro</i> cultivation of <i>Treponema pallidum</i> <i>J. W. Foster, D. S. Kellogg, J. W. Clark, and A. Balows</i> (USA)	338
How suitable are available pharmaceuticals for the treatment of sexually transmitted diseases? 2. Conditions presenting as sores or tumours <i>R. R. Willcox</i> (Gt Britain)	340
Screening tests for syphilis. A comparison of the <i>Treponema pallidum</i> haemagglutination assay with two automated serological tests <i>D. E. Macfarlane and T. F. Elias-Jones</i> (Gt Britain)	348
Cell-mediated immune response in gonococcal infections <i>F. A. Wyle, C. Rowlett, and T. Blumenthal</i> (USA)	353
Release of enzymes from human leucocytes during incubation with <i>Neisseria gonorrhoeae</i> <i>L. M. Senff and W. D. Sawyer</i> (USA)	360
The impact of urban community hospital surveillance for gonorrhoea on the infection rate and complications in the female. A progress report <i>R. C. Rendtorff, H. Packer, S. Glassco, and J. Levy</i> (USA)	364
The possible role of anaerobic bacteria in the aetiology of non-gonococcal urethritis in men <i>A. Hallén, A-C. Rydén, A. Schwan, and J. Wallin</i> (Sweden)	368
