Factors that inhibit adherence of *Treponema pallidum* (Nichols strain) to a human fibroblastic cell line: development in serum of patients with syphilis

J J van der SLUIS, J A M KOEHORST, AND A M BOER *pages* 71-6

Effect of early and late syphilis on central nervous system: cerebrospinal fluid changes and neurological deficit

R V W van EIJK, E Ch WOLTERS, J A TUTUARIMA, E A H HISCHE, J D BOS, L van TROTSENBURG, G A J de KONING, AND H J van der HELM *pages* 77-82

Oculomotor dysfunction in patients with syphilis

U ROSENHALL, G-B LÖWHAGEN, AND G ROUPE *pages* 83-6

Western blot analysis of gonococcal serogrouping reagents

C G COPLEY AND S I EGGLESTONE *pages* 87-91

Response of pharyngeal gonorrhoea to single dose penicillin treatment

M Z C SULAIMAN, C M BATES, J B BITTNER, C A DIXON, AND R C B SLACK *pages* 92-4

Netilmicin: new approach to treating gonorrhoea

J SÖLTZ-SZÖTS, W KOPP, W GEBHART, J THURNER, AND Ch POITSCHKEK *pages* 95-7

Clinical and microbiological evaluation of 46 episodes of genital ulceration

A W STURM, G J STOLTING, R H CORMANE, AND H C ZANEN *pages* 98-101

Asymptomatic shedding and subsequent transmission of genital herpes simplex virus

S E BARTON, J M DAVIES, V W MOSS, A S TYMS, AND P E MUNDAY *pages* 102-5

AIDS and prevalence of antibody to human immunodeficiency virus (HIV) in high risk groups in Thailand

A TRAISUPA, C WONGBA, AND D N TAYLOR *pages* 106-8

Bowenoid papulosis: clinical and histological study of eight cases

E GIMENO, J J VILATA, J L SANCHEZ, A LLORET, AND J M FORTEA *pages* 109-13

Outpatient treatment of perianal warts by scissor excision

A McMILLAN AND G R SCOTT *pages* 114-5

Sexually communicable micro-organisms in human semen samples to be used for artificial insemination by donor

K H TJIAM, B Y M van HEIJST, A A POLAK-VOGELZANG, Ph H ROBARTH, Th van JOOST, E STOLZ, AND M F MICHEL *pages* 116-8

Sexually transmitted infections in adolescent girls

F M MULCAHY AND C J N LACEY *pages* 119-21

Role and training of nurses working in departments of genitourinary medicine in England and Wales. 1. Role

J S ROGERS AND M W ADLER *pages* 122-26

Role and training of nurses working in departments of genitourinary medicine in England and Wales. 2. Training and future role

J S ROGERS AND M W ADLER *pages* 127-32

Esthiomene resulting from cutaneous tuberculosis of external genitalia

R P C NAIK, C R SRINIVAS, C BALACHANDRAN, P K NARAYAN, K RAMNARAYAN, AND R C SAHOO *pages* 133-6

International Union against the Venereal Diseases and Treponematoses

M A WAUGH *page* 135

Medical Society for the Study of Venereal Diseases

M A WAUGH *page* 136

Notices *page* 136

Correspondence *pages* 137-8

Book review *page* 139

List of current publications *pages* 140-45
