

## GENERAL PRACTICE CHLAMYDIA TESTING FOR YOUNG PEOPLE

**Supplementary File 1****Interview Topic Guide****Icebreakers**

1. Can you start by telling me how you find out about this study?
  - Why did you want to take part?
  
2. What do you know about chlamydia?
  - Where did you learn this information? *Prompts:* school, friends, family internet.
  
3. Do you know where you would go to get a chlamydia test?
  
4. What do you think a chlamydia test involves?
  - How easy or difficult do you think a chlamydia test is to do?
  
5. Have you ever had a chlamydia test?
  - Can you tell me more about that experience?
  - Was it offered to you or did you seek it out? Why or why not?
  - Where/how was this offered to you?
  - How did you feel about being offered it?
  - If yes, was the result positive or negative?
  - If positive: Did you seek treatment? Did you tell any previous/current sexual partners about it? Would you get tested again in future? Why or why not?

**Opportunistic testing**

6. If you were offered a chlamydia test by your GP whilst in a consultation for an unrelated health issue, (for example, a sprained ankle, or the flu) how would you feel?
  - *Probe:* Can you tell me more about that?
  
7. If you were offered a chlamydia test by your practice nurse (at your general practice) whilst in a consultation for an unrelated health issue, how would you feel?
  - *Probe:* Can you tell me more about that?

## GENERAL PRACTICE CHLAMYDIA TESTING FOR YOUNG PEOPLE
